

ExxonMobil

ExxonMobil LOFT Fellowship

ExxonMobil, one of the world's largest publicly traded International oil & gas companies, has partnered with the Hispanic Heritage Foundation (HHF) to create fellowships in STEM fields (Science, Technology, Engineering and Math) for **Hispanic college students**. Through HHF's Latinos On Fast Track (LOFT) program, ExxonMobil seeks to nurture motivated college students across the country, with a passion for Engineering and Science.

Selected students will be exposed to a top quality company by participating in this signature mentoring program. Each student will be paired up with one of ExxonMobil engineers/scientists to learn how their knowledge is applied in a corporate setting.

Fellowship Components

The Fellowship consists of: five 1-hour meetings with mentor (virtual or in person), participation in the **Harvard-certified** ExxonMobil mentee program (on-line), an exclusive curriculum to introduce Fellows to the organization and company career opportunities, and a **\$1,000** educational grant. In addition, there exists the possibility to interview for ExxonMobil positions (internships/full-time) upon successful completion of the Fellowship.
