Dear Mr. Pastor,

It gives me great pleasure to inform you that the Committee on Student Activities (CSA) has named your paper entitled “Globalization and the Future of ASCE’s Code of Ethics” the first place winner of the 2012 National Daniel W. Mead Student Contest. In recognition of this honor, an award check in the amount of $1,000 will be presented to you.

Additionally, the first place winner is also deemed the recipient of the Daniel W. Mead Prize for Students, pending approval by the ASCE Executive Committee in late April. A letter regarding the national award and a suitable recognition plaque will arrive from the ASCE Honors and Awards Program once approved.

Congratulations on receiving first place in the 2012 National Daniel W. Mead Student Contest. We wish you the best of luck in your academic and professional endeavors, and look forward to your activities within the Civil Engineering community.

Sincerely,
