Ken Marcia was appointed Dresser-Rand Vice President Supply Chain Management & Process Innovation in January 2006. Prior to joining Dresser-Rand, he held executive leadership positions within United Technologies Corporation. From March 1999 to December 2005, he served as Director Supplier Development for United Technologies Corporation including its divisions; Carrier Corporation, Pratt & Whitney, Hamilton Sundstrand, Sikorsky, Otis, UTC Power, and UTC Fire & Security. Previously held the following positions within the Hamilton Sundstrand division: Vice President of Purchasing, Director of Operations, Commercial Aircraft Products General Manager, Director of Environmental Control Systems, Quality Engineering Manager, and Chief of Manufacturing Engineering and many more. Ken Graduated cum laude with a BS in Mathematics from the University of Hartford. Twice elected Board President of the Supplier Excellence Alliance, and served on the Board of the National Minority Supplier Development Council.
