Charge: many ways

Charge, or cost, depends on age as follows. Those 12 years old or less pay 2 (dollars), those between 13 and 21 inclusive pay 3, those over 21 but 65 or less pay 5, and those over 65 pay 4.

There are at least nine ways to do this, as shown. Actually there are many more ways, find some more. Also, there is an error here somewhere, find it; a hint follows at the end.

1. Nested choices to the left

2. Nested choices to the right

3. Symmetric nests: balanced

4. Nested choices to the left

5. Nested choices to the right

6. Non-Symmetric nests: nasty

7. Series of Choices

8. Series of Choices (again)

9. More Series of Choices

Hint: the error is in the middle row; Find it, and fix it.
