

WIN A \$5,000 SCHOLARSHIP

Presented by ASCO Numatics

Apply today for the
ASCO Numatics 2013
Engineering College
Scholarship

ASCO Numatics, the world's leading manufacturer of comprehensive fluid automation solutions, flow control and pneumatics, is proud to award two merit-based scholarships of \$5,000 each for U.S. engineering students who are pursuing careers in industrial automation-related disciplines, as well as two \$1,000 grants to the engineering departments of the colleges at which the winners are enrolled. Scholarship recipients may also be eligible for an ASCO Numatics internship.

Details are available at:

www.asconumatics.com/scholarship

Don't miss out on the chance to win \$5,000. To be eligible to receive the scholarship, you must have completed at least your sophomore year and be enrolled as a full-time student for the entire 2013/2014 academic year.
