

# FIFTH ANNUAL **TECHNICAL** PAPERS & POSTERS Competition

October 2- 4, 2014 | New Orleans, LA

**Do you think your research has what it takes to revolutionize your field of study?**

**Prove It!**

Join us in New Orleans, and showcase your latest research findings via poster or paper presentations to top scientists & engineers. You may walk away with more than just bragging rights. Your research accomplishments may earn you a monetary prize in addition to national recognition.

## ABSTRACT DEADLINES:

**AUGUST 1, 2014**

*(To Be Considered For A Travel Grant)*

**SEPTEMBER 12, 2014**

*(No Travel Grant Consideration)*

## ELIGIBILITY:

- Graduate and undergraduate students from an accredited four-year college/university in the U.S. or Puerto Rico
- Must be from an underrepresented ethnic/racial group
- Pursuing full-time studies in a science, technology, engineering, math or health-related field of study
