Subject: Great Minds in STEM Research Poster Competition (Pasadena) - Deadline - September 8, 2017

Greetings

Just received this from GMiS (Great Minds in STEM) for their poster competition in October. It would be a great opportunity for your summer research students who wish to participate. We can cover their participation from the grant (it is here in Pasadena). Plus there are travel grants available if they apply by September 8th. Please encourage your students to participate! Have a nice weekend

Best

Ramesh

Subject: Great Minds in STEM Research Poster Competition

Dear Engineering Deans,

I would like to bring this opportunity to your attention regarding the Great Minds in STEM Poster Competition held in Pasadena, CA **October 18-22, 2017**. Please communicate this information to students and faculty at your campus. Travel grants for this competition are available with a **September 8, 2017 deadline** and you will find additional details in the attached email below.

Best regards,

Evonne Rayson

Subject: 2017 Call for Abstracts - GMIS Research Posters Competition

CALL FOR ABSTRACTS

Join us in **Pasadena, CA, from October 18 – 22, 2017**, to showcase your cutting edge and emerging research ideas, methods, and techniques to leading engineers and scientists in a premier national forum that recognizes technical talent and achievement. You may walk away with more than just bragging rights. Your research accomplishments may earn you a monetary prize in addition to national recognition.

*Monetary prizes are based on competition sponsorship

Eligibility:

- Graduate & undergraduate students from an accredited college/university in the U.S. or Puerto Rico
- Must be from an underrepresented ethnic/racial group in STEM (i.e. Hispanic, African American, or Native American)
- Pursuing full-time studies in a science, technology, engineering, math or health-related field of study

Abstract Deadlines

SEPTEMBER 8, 2017

(To be considered for a travel grant. Travel grant support is available on a competitive basis. Early-Bird Registration available.)

SEPTEMBER 22, 2017

(No travel grant consideration. Regular registration available.)

[CLICK HERE](#) to learn more about the competition and to download the Research Posters Competition Guidelines and Submission Form.

Requirements:

- Must register for the HENAAC Conference
- Must submit an entry form and abstract to posters@greatmindsinstem.org
- Mandatory attendance at the Student Leadership Reception on Saturday evening, October 21st where winners will be announced
