- **Action Items**
 - *Cohort recruitment*
 - Advertise
 - Review applications
 - Select students
 - Group meeting with cohort to explain expectations
 - *Identify courses that need to be articulated*

HSI-STEM Partners

Meeting Schedule

- Monthly meetings of CSUN faculty/staff from October 2011 – Sep 2012
- Include GCC and COC for Quarterly meetings (Nov, Feb, June, Sep)

Goals and Objectives

- Tutoring to improve student performance in preparatory Math and Science courses.
- Advising and tracking of students in cohort
- Work closely with faculty and staff in feeder community colleges to develop seamless articulation agreements, especially for students transferring from 2 year colleges to CSUN.
- Create a mobile digital environment with Tablet PCs and appropriate software, so that the project team can work with the cohorts to enhance communication, engagement, collaboration and creativity, and instant learning assessment.
- Expand Facilitated Academic Workshops (FAW) in required introductory courses and key upper division courses offered by the college's programs
- Faculty mentoring and career advising of students in the cohort
- College wide events focused on careers and jobs such as the biannual Tech Fest events held in February and September.
- Provide students with opportunities to work on hands-on projects and research activities that encourage them to stay connected with their majors
