1	1.1a-c	The number of Hispanic and low-income undergraduate students enrolled will increase by 10% in 5 years over fall 2022 baseline.	CSUN	Program	Fall 2023	12274	13501/12274	10%	13501	Fall 2024	13106	13106/12274	6.8%	Fall 2025	13413	13413/12274	9.3%	↑	↑	On Schedule	LA Pierce College: Updates to the previously reported data, indicated in red font. Per their Research Office, they have not yet gotten confirmation from their Financial Aid office that they are caught up with FA awards. The data for low-income shows many more students than earlier this fall when last checked, but it still doesn't trend well with last year (there is still a large dip). It's hard to tell if it's a data-entry issue or if they really have less students receiving aid this Fall.
